Specific Guidelines for Tennis Play

PREPARING TO PLAY

- Wash your hands with disinfectant soap and water (for 20 seconds or longer) or use a hand sanitizer if soap and water are not readily available, before going to the court.
- Clean and wipe down your equipment, including racquets and water bottles. Do not share racquets or any other equipment such as wristbands, grips, hats, and towels.
- Bring a full water bottle to avoid touching a tap or water fountain handle.
- Use new balls and a new grip, if possible.
- If you need to sneeze or cough, do so into a tissue or upper sleeve.
- Arrive as close as possible to when you need to be there.

WHEN PLAYING

- Try to stay at least six feet apart from other players. Do not make physical contact with them (such as shaking hands or a high five).
- You should consider not playing doubles, which could lead to incidental contact and unwanted proximity. If you do play doubles, avoid all incidental contact, NO Bryan Brothers Chest Bumps and NO whispering to each other from a close distance to strategize.
- Avoid touching your face after handling a ball, racquet, or other equipment. Wash your hands promptly if you have touched your eyes, nose, or mouth.
- Use your racquet/foot to pick up balls and hit them to your opponent. Avoid using your hands to pick up the balls.
- Stay on your side of court. Avoid changing ends of the court.
- Remain apart from other players when taking a break. If a ball from another court comes to you, send it back with a kick or with your racquet.

AFTER PLAYING

- Leave the court as soon as reasonably possible.
- Wash your hands thoroughly or use a hand sanitizer after coming off the court.
- Do not use the locker room or changing area. Shower at home.
